Height: 18 inches

Spread: 20 inches

Sunlight:

Hardiness Zone: 6b

Other Names: Frycassia Rose

Group/Class: Patio Rose

**Description:**

This impressive patio variety produces lovely peach flowers; blooms repeat all season long and make splendid cut flowers; vigorous and exceptionally disease resistant

**Ornamental Features**

Flower Power Rose features showy lightly-scented double peach flowers with gold eyes at the ends of the branches from late spring to mid fall. The flowers are excellent for cutting. It has dark green deciduous foliage. The glossy oval compound leaves do not develop any appreciable fall colour.

**Landscape Attributes**

Flower Power Rose is a multi-stemmed deciduous shrub with an upright spreading habit of growth. Its average texture blends into the landscape, but can be balanced by one or two finer or coarser trees or shrubs for an effective composition.

This shrub will require occasional maintenance and upkeep, and is best pruned in late winter once the threat of extreme cold has passed. It is a good choice for attracting bees to your yard. Gardeners should be aware of the following characteristic(s) that may warrant special consideration;

- Insects
- Disease

Flower Power Rose is recommended for the following landscape applications;

- Mass Planting
- Hedges/Screening
- General Garden Use

## Flower Power Rose

---

**Planting & Growing**

Flower Power Rose will grow to be about 18 inches tall at maturity, with a spread of 20 inches. It tends to fill out right to the ground and therefore doesn't necessarily require facer plants in front. It grows at a fast rate, and under ideal conditions can be expected to live for approximately 30 years.

This shrub should only be grown in full sunlight. It does best in average to evenly moist conditions, but will not tolerate standing water. It is not particular as to soil type or pH. It is highly tolerant of urban pollution and will even thrive in inner city environments. This particular variety is an interspecific hybrid.

This plant is not reliably hardy in our region, and certain restrictions may apply; contact the store for more information.
